Getting to know your Echo Dot Kids Edition

1. Plug in your Echo Dot Kids Edition & wait for Alexa to say hello
   Plug the power adapter into your Echo Dot Kids Edition and then into a power outlet. A blue light ring will begin to spin around the top. In about 1 minute, Alexa will greet you and let you know she’s ready to talk.
   - Microphone off
   - Volume up
   - Volume down
   - Follow
   - Light ring
   - AUX audio output
   - Power port

   Also included: Power adapter

   You must use the original items included in this Echo Dot Kids Edition package for optimal performance.

2. Download the Alexa app
   Download the latest version of the Alexa app from the app store.
   The app helps you get the most out of your Echo Dot Kids Edition. It’s where you set up and manage calling and messaging, smart home devices, free-time character alarms, routines, and other settings.
   - After you open the Alexa app, if you are not prompted to set up your device, say “Alexa, open the Alexa app to get started.”

   You can also start the setup process from your computer by going to https://alexa.amazon.com. During device setup, you will set up your FreeTime Unlimited subscription.
   - To learn more about Alexa for Kids, go to Help & Feedback in the Alexa app.

Optional: Connect to a speaker
   You can connect your Echo Dot Kids Edition to a speaker using an AUX cable. If you are using Bluetooth, share your speaker at least 5 feet away from your Echo Dot Kids Edition for optimal performance. If you are using an AUX cable, your speaker should be at least 0.5 feet away.
